

Box Pre-School Playgroup

Learning through creativity and play

February 2019

We been given the opportunity to take part in a project that will run jointly between schools, Early Years settings and Wiltshire Police: ENCOMPASS is the reporting to schools and early years settings by the next working day, when a child or young person has been affected by a domestic incident.

ENCOMPASS will ensure that a member of the staff, known as a Key Adult, will be shared the information in confidence, while ensuring that the school or setting is able to make provision for possible difficulties experienced by children, or their families, who have been involved in, affected or exposed to a domestic abuse incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.
